Residential Billing Officer

May 2024 - September 2025 (1 year 5 months)

Adelaide, South Australia, Australia

Track fee updates through the Provider Digital Access (PRODA) portal, ensuring timely

adjustments and consistent alignment with government-regulated fee schedules.

- Generate accurate fortnightly resident invoices and statements, manage direct debits and refunds,

and maintain audit-ready records in line with financial compliance standards.

- Maintain and process vendor and service invoices, ensuring meticulous record keeping that supports

internal and regulatory audits while reducing financial risk.

- Collaborate closely with finance and operations teams to swiftly resolve billing discrepancies,

facilitate accurate data flow, and streamline reporting processes.

- Analyse billing and receivables data using Excel and Power BI, to monitor metrics such as subsidy income, aged debt, and revenue trends.
- Identify patterns and anomalies in billing data, informing process improvements that enhance financial oversight.
- Process and pay supplier and service invoices, maintaining detailed records to support internal and external audits and ensuring full regulatory compliance.
- Perform vendor statement reconciliations, proactively identify discrepancies, and collaborate with vendors to resolve payment issues.
- Collaborate with finance and operations teams to streamline payable workflows, ensuring accurate coding, timely approvals, and seamless reporting.

Accounts Payable Officer

February 2024 - September 2025 (1 year 8 months)

Adelaide, South Australia, Australia

- Managing the accurate and timely processing of invoices, ensuring compliance with company policies and procedures using Corporate Management software.
- Establishing and maintaining positive relationships with vendors, resolving billing discrepancies and inquiries.
- Executing timely and accurate payments through various methods, including checks, EFT, and BPAY using CIM software and banking software.
- Maintaining organized and up-to-date records of all financial transactions related to accounts payable in CIM software.

Acting Rostering and Payroll Officer

December 2023 - January 2024 (2 months)

Adelaide, South Australia, Australia

- Managed shift rosters for 150+ staff, ensuring compliance with industrial agreements and Fair Work rules.
- Analysed roosting data to identify risks, reduce non-compliance, and support accurate payroll outcomes.
- Produced weekly reports using Excel, and Power BI to inform scheduling decisions and support audits.

- Collaborated with HR and payroll teams on pay validation and remediation efforts.

Hospitality Service Employee

February 2023 - November 2023 (10 months)
